

NSER Alumni Newsletter

Fall 2004

Don't Know What to Get
for Dinner???

What could be better than a little taste of home? ...or... How about something cooked up by one of your teachers?

You will find these and many more interesting items in:

After School Recipes

-Yes, we do have our cookbook at the printers! It contains about 500 recipes, all submitted by NSER Alumni. We plan to have this book ready for sale by November. The price is \$10.00 with an additional \$4.00 charge for mailing where necessary.

You won't find a better tasting Christmas gift!! Order early for delivery before Christmas.

Thank you so much to Dianne Mullin and her committee for all the time consuming work they have done to get this book ready.

Thank you also to all the alumni who submitted recipes. We could not have completed this project without you.

Scholarships

In June 2004 we were once again able to award scholarships to graduating students at NSER. Two of these scholarships, the Dr. Jerry Wilson Scholarship and the W. D. Hamilton Award, are funded through investments made by individuals with the alumni. The other two scholarships are NSER Alumni Scholarships and are made possible through donations and fund-raising activities undertaken by the Alumni Board. The Alumni Scholarships of \$500.00 each were awarded to Kassie Blackmore and Shane Matchett. The Dr. Jerry Wilson Scholarship was given to Shane Matchett and the W. D. Hamilton Award to Crystal Waye.

Reunion 2001
Memory Book
Update

Work is finally completed on the Reunion 2001 Memory Book and CD and several have been printed and delivered. If you have indicated an interest in receiving a copy of either or both of these items, you should have already been contacted. If you neglected to ask for a copy earlier, it is still not too late to do so. You may contact us at the website address below:

Wendy, Terry and their assistants have done a fantastic job of putting together a book and CD which will long serve as a reminder of the wonderful time we had together in August 2001.

The Memory Book costs \$40.00; the CD, \$20.00; purchased together they cost \$50.00. If mailing is required you will have to add \$5.00 for postage. Please allow 4 to 6 weeks for delivery.

Memorials

We would like to express our thanks to all who have made memorial donations to Alumni and Friends of NSER in memory of a friend or loved one. Your donations to the Alumni Association are used to fund scholarships and awards which provide educational opportunities for NSER students. Helping students with their educational goals through memorial donations can be an especially worthy way to honour someone you love.

Memorial cards have been placed in all the local funeral homes. If you do not see them, don't hesitate to ask. Also, you may want to have a few copies to use when mailing sympathy cards. These are available at the funeral homes, by contacting us at our website address, from any member of the Alumni Executive or at the NSER high school office
