**Awards**

Alumni supporters like yourself have provided a lot of help to students since we started in 1995.

Over \$30,000 has been given in awards to NSER students.

## Greetings!

Hi everyone! It is hard to believe that the Alumni association is nearing its 15th anniversary. Over the past few years we have hosted a variety of events, helped provide graduate lists to reunion committees, and most importantly provided financial assistance to graduates and students of NSER. This newsletter is an attempt to capture and highlight the activities of the past year. You will find here items about our recent activities and about upcoming events. If you live in the local area or are visiting, you are most welcome to attend the annual meeting, as well as take part in any event sponsored by NSER Alumni.

**Historical Books as a fund raiser:** Willis Hamilton, former NSER teacher, UNB professor and Historian has provided a number of his historical books as a fund raiser to the Alumni Association. Copies of “Old North Esk”, “Ships of Miramichi”, and “Memories of Miramichi” are just a few of the many titles that he has provided. He has allowed us to sell these books at a much reduced price compared to the retail price that is normally charged. Most books are available through the Alumni at \$10 each and some smaller historical notes at a price of \$5 each. To this point we have raised approximately \$4,500 because of this generous donation. To get copies contact any executive or board member or email us at [books@nseralumni.ca](mailto:books@nseralumni.ca)

## Memoriums

Our Alumni web-site has attempted to provide a page that is dedicated to the memory of all alumni that have passed away over the years. If you know of alumni that have been missed on this list please let us know and we will add the information that you provide..

As well, NSER Alumni memorial cards have been placed in local funeral homes.

## Help wanted...

Everyone that has attended or worked at NSER , not just graduates, are considered members of the NSER Alumni group. Each year we have new members get involved with helping us help students. Also, each year members that have been involved in the past move on because of other commitments and because of this we are always looking for new Alumni to join us.

Why not get involved? What could you do? Perhaps help us with our Alumni database, present awards to award winners at the end of the year, serve on our Awards selection committee, event planning, become a board member or a host of other activities, all of which help NSER students with their education.

## Comfortable with Facebook, the web, the internet ....

We are seeking computer savvy individuals to help with our Alumni database and our Alumni Website. If you are comfortable with graphics software, like to build web-pages or are skilled at software tools then why not get involved. You can be an Alumni in Toronto, New York or England and still help us in this area. If you are interested contact our current webmaster via email at [webmaster@nseralumni.ca](mailto:webmaster@nseralumni.ca)

## Yard Sale/BBQ

We are holding a yard sale and BBQ on Saturday, September 12th at the Sunny Corner Lions Club. Start time is 8am. All proceeds will be going toward our annual awards to NSER students. If you have items you would like to contribute to the sale you can contact us [yardsale@nseralumni.ca](mailto:yardsale@nseralumni.ca) or by phone at 622-2449. Hope to see you there!

In addition to yard sale items there will be NSER Alumni pins and copies of Old North Esk for sale.

Dallas Steward, President '93 / T. Matthews Vice President '62
