2026 WINTER Newsletter: Alumni and friends of NSER

Hello Alumni,

No matter how many years have passed since graduation, being part of this alumni community means we share something lasting. We walked the same hallways, learned from the same teachers, and experienced milestones that helped shape who we are today. This newsletter is a reminder that those connections still matter—and that our alumni network continues to grow and evolve.

SCHOLARSHIP NEWS

Another scholarship has been created for graduating students. It is valued at \$2,000 yearly and has been created by a donation from the estate of former teacher - Dan Johnston. It is worth noting that Alumni from the class of 62' have donated well over \$200,000 for the scholarship fund.

Life after high school has taken all of us in different directions. Some of you stayed close to home, others moved across the country or around the world. Careers, families, responsibilities, and unexpected turns have filled our days. Yet there's something uniquely meaningful about reconnecting with people who knew us before all of that—before job titles, before resumes, before life became so busy.

Our alumni group exists to keep those connections alive. Whether you enjoy attending reunions, sharing memories, mentoring students, or simply staying informed, there's a place for you here. You don't need to be deeply involved to belong. Every alum contributes to the shared spirit of our school's legacy just by being part of the community.

Media News

Morian Silliker has taken on the responsibility of the Alumni Website.

In the coming months, we'll be sharing class updates, alumni stories, and opportunities to reconnect both in person and online. You may see familiar names, rediscover old friendships, or learn something new about someone you once sat next to in class. These moments of re-connection help bridge the years and remind us of how much we still have in common.

We also encourage you to reflect on your own high school experience. What clubs did you join? Which teachers left a lasting impression? Which friendships shaped who you became? These memories are powerful—not just as nostalgia, but as reminders of growth, resilience, and shared experience.

As an alumni group, our goal is simple: to foster connection, community, and pride in where we came from. Whether you graduated recently or decades ago, your story is part of our shared history.

Ways to reconnect:

- [Update your contact information so you don't miss future announcements](#)
- [Share a favorite memory, photo, or anecdote from your high school years](#)
- Invite a fellow alum to join our mailing list

We're glad you're here. This community is stronger because of you, and we look forward to reconnecting in meaningful ways throughout the year.

Alumni executive:

- Carla S O'Toole Alumni President
- LeRoy M Silliker Alumni Vice-President
- Fred Holmes Alumni Treasurer
- Dallas A Stewart Alumni Secretary
- Terry Matthews Alumni Past-President
